D.R.S.A. is proud and privileged to have a unique member in it's group! Everyone knows him as the "bread man." As you all know, Joe Pezzullo is a kind and warm-hearted individual who brings an array of different

foods every Sunday.

You'll also notice that he doesn't ask for anything in return.

Last Sunday, we brought to everyone's attention the need to help in this expense. A small token of appreciation for Joe's service is in the amount of \$5.00 This amount needs to be given prior to serving yourself.

Note: This applies only if you serve yourself from the abundance of food available.

We would also like to thank everyone who's been helping Joe in the past concerning this matter and there were many of you.

Thanks in advance.
